HEARING DATE: May 14, 2002

DECISION DATE: May 14, 2002

SUMMARY ORDER

SELF-CERTIFIED APPLICATION

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2, Exhibit No. 5.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 1B, the Office of Planning (OP), the DC Department of Transportation (DDOT) and to the owners of property within 200 feet of the site.

The subject property is located within the jurisdiction of ANC 1B. ANC 1B did not participate in the hearing or submitted a written statement. OP submitted a report and testified at the public hearing in support of the application, subject to minor conditions (Exhibit No. 22). Additionally, DDOT filed a written statement in support of the application (Exhibit No. 23).

As directed by 11 DCMR § 3119.2, the Board required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for a special exception pursuant to 11 DCMR § 3104.1. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, and having given great weight to the OP report, the Board concludes that the applicant has met the burden of proof, under 11 DCMR §§ 3104.1, 1906, 1903 and 2107, that the special exception can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED**.

Upon approving the application, the Board instructed the Applicant to file the following items in the record prior to issuance of the Order:

1. A letter of authorization from the Washing Metropolitan Area Transit Authority to be represented by Attorney, Cynthia Giordano.
2. Verification that the supplemental statement filed with the Board was serviced on ANC 1B and that the ANC reviewed the revised project.
3. A copy of the project's Transportation Management Plan.
4. The revised schematic ground floor plan that was presented at the hearing.

All of the requested items were filed.

Pursuant to 11 DCMR § 3101.6, the Board waived the requirement of 11 DCMR § 3125.3 that the Order of the Board be accompanied by Findings of Fact and Conclusions of Law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 5-0-0 (Geoffrey H. Griffis, Anne Mohnkern Renshaw, David W. Levy, Curtis L. Etherly, Jr. and Carol J. Mitten to approve).
